

# The Moron Brothers (live)

## NOFX

Talking about the Moron Bros', tattooed fingers,  
tattooed toes  
They're idiots, losers, they're scum  
Taking advantage of everyone  
You're a dog, they're your fleas  
Doing everything they can to spread disease They'll take your beer, they'll take your drugs  
Leave with you microscopic bugs  
Their company is something you won't miss  
When your icetrays are filled with piss  
They are the Moron Brothers  
Don't get along with others  
They'll whine, they'll bitch, they'll fuck you if you're rich  
They'll leach, they'll latch, they are the itch you can't  
scratch  
Do do do do do do do do da do do do do etc.  
They'll ink your face, tape your eyelids closed  
Tabasco's in your mouth,  
there's mustard up your nose  
When your head is shaved you'll think the worst has  
passed  
Just try to move your leg  
they've put you in a cast  
They are the Moron Brothers  
Don't get along with others They may not go down in history  
But they'll go down on your sister
