

# Hollywood Niggaz

## Tyga

I heard niggas hatin' on me from the sideline, mm, nice try  
Can't see niggas anyway, too busy standing on my pride, ah  
Yeah yeah, got a lot lotta shit to say, so I'mma start off saying this  
I can give a fuck what a magazine say, get off my dick, hm  
That's the tip, mhmI see your pockets getting chubby, get a loan from me  
Don't leave your bitch alone in the room with me  
Tying rope or comatose her in a coma, homie  
Little little homie bigger than your biggest homie  
Rich Homie Quan told me just get richer homie  
So I'mma keep making millions independent homie  
The money greener than the reefer Wiz Khalifa showed me  
I'm up in London smoking skunky with some (Real niggas only)Niggas hatin' on me from the sideline, mm,  
nice try  
Can't see you niggas anyway, too busy standing on my pride, ah  
Yeah yeah, got a lot lotta shit to say, so I'mma start off saying this  
I can give a fuck what a magazine say, get off my dick, hm  
That's the tip, mhmI don't fuck with no broke bitches
