

Blame It On You

Grits

She's got pizzazz, like a razzmatazz
I'd like to slide it in, when I beginWastes all my money, spends all my time
I ain't got no luck, I can't change her mindBlame it on you, I can't stand up
Blame it on you, I keep my mouth shut
Blame it on you and I can't see straight
Blame it on you, oh, too lateI want a little reaction, how 'bout a kiss or two?
She said, "Jump back honey", I said, "No, can't do"
Why do you always make a fool out of me?
I can't get no nookie, just plain to seeWastes all my money, spends all my time
I ain't got no luck, I can't change her mindBlame it on you, I can't get no sleep
Blame it on you, I'm in six feet deep
Blame it on you, well I guess it's true
Blame it on you, yes, I doI blame this whole damn mess, honey
Right on youWastes all my money, spends all my time
I ain't got no luck, I can't change her mind
Now listen little girl, let me explain
Why you got me in such a terrible wayShe's got pizzazz, like a razzmatazz
I'd like to slide it in, when I beginWastes all my money, spends all my time
I ain't got no luck, I can't change her mindBlame it on you, I can't stand up
Blame it on you, I keep my mouth shut
Blame it on you and I can't see straight
Blame it on you, wowBlame it on you, I can't get no sleep
Blame it on you, I'm in six feet deep
Blame it on you, well I guess it's true
Blame it on you, yes, I, yes, I do
