

Leave It All Behind (PrOmid Remix) [feat. Josie]

Masoud

Stop, leave your troubles at the door
Don't walk into my space and try to bring me down
You know I am doing this because
Your lifeline is exposed and I won't be the one to fault because You don't believe
In mystery
You've gotta have it all in front of you
You don't believe
In mystery
You've gotta have it all in front of you Just leave
It all behind, why can't you
Leave
It all behind, why can't you Just leave
It all behind, why can't you
Leave
It all behind, why can't you
