F--k It, You Win

Hanni El Khatib

Call me on the phone
Why don't you
Yeah
Find me at my home
Why don't you
Come one
Scare my friends away
Why don't you
Fake my life for leaving one babe
Why don't you
Call babe yeap girlYeah hey
Here we goCome on my roof
Why don't you
Snake into my house baby
Why don't you
Put yourself to the ground
Fuck it why don't you
Bite me in the neck
Yeah it's driving me dry
Something's dryOh fuck it you win
Oh darling you win
I said fuck it you win
Oh darling you win
Oh God, oh noLove me when you're tired
Why don't you
Yeah hate me when you're drunk
Oh why don't you
Say you're dead brother fuck darling
Oh why don't you
Find a new man to call girls darling
Fuck you why don't youFuck it you win
Oh darling I said you win
Oh fuck it you win
Oh God you win
Yeah baby yeah baby
