Makeshift

Knapsack

Fumble for the lightswitch
Get this off without a hitch
Got to know sometimes it's hit and miss
But I don't want to waste this wish(Chorus)
Rub a lamp or lick a postage stamp
Get this off without a hitch
Rub a lamp or lick a postage stamp
But I don't want to waste this wish?
?
?
?(Chorus)
Rub a lamp or lick a postage stamp
Get this off without a hitch
Rub a lamp or lick a postage stamp
But I don't want to waste this wish
