I'm Jealous

Ike & Tina Turner

I tossed and turned all last night
I thought you werent treating me right
I love you much too much
It's jealousy I guessI tossed and turned all last night
I rolled and tumbled all last night
I dreamed someone was holding you tight
There ain't no use to lie, Ill love you till I die
I tossed and turned all last nightI guess I'm jealous and can't help it
But I love you much too much
I asked the Lord to please help me
So I dont dream of suchI guess you think silly of me
But I'm living down in misery
There ain't no use to lie, I'm tore up in my lie
I tossed and turned all last nightI guess I'm jealous and can't help it
But I love you much too much
I ask the Lord to please help me
So I dont dream of suchBut I guess you think silly of me
But I'm living down in misery
There ain't no use to lie, I'm tore up in my lie
I tossed and turned all last nightOh baby, now you know, you know I'm jealous of you
So why don't you, why don't you come on and treat me right
You know I love you daddy, show me that you love me too
