

Fortune Teller

Buffalo Tom

Reaching back, I'm a fortune teller
I'll tell her I'm the way
There will be those days
Can't make them go awayThere are always ways of telling
They are crazy about me
Grass is what I'm after
Tracks got off the trainWhat is it that you're after?
I can't make the train go any fasterThere are times when the days go by
And I'm a total stranger
Plaster souvenirs
Them shouting in my earI can't make fat a skinny cat
Baby, substitutes
I'm a fortune teller
I'll tell her I'm the wayWhat is it that you're after?
I can't make the train go any fasterI'm a fortune teller
I'm a fortune tellerI'm a fortune
I'm a fortune teller
I'm a fortune
I'm a fortune teller, yeah
