

# Round And Round

Teairra Mari

[Intro:]

You know

I never understood why we go through the same things

Over and over

Baby

I'm tired

I'm so damn tired

[Verse 1:]

You wake up in the morning

Breakfast on the table

Huh huh

Ain't it done

I go run you a bath

And turn on the cable

Boy don't act like you don't know it

You can be straight up with me boy

Ain't nobody listening

Tell me what are we doing

Cos I don't wanna waste my time

And I don't wanna waste your time

What the hell are we doing

I've given all I got

What do I have to show for it

Nothing nothing nothing nothing

I forgive you on the spot

Then I wait for you to change but

Nothing nothing nothing nothing

[Bridge:]

Got me going round and round and round in circles

Cos I loved you

Really loved you

Going round and round and round in circles

Cos I loved you

Really loved you

[Chorus:]

Round and round and round we go

Round and round and round we go  
Round and round we go  
Round and round we go  
Round and round we go  
Round and round ohh

[Verse 2:]

Tell me who you gonna find to do it like me  
Huh huh ain't nobody  
And I know you think I'm old  
Well then boy I might be  
Don't let that good girl shit fool ya  
From the lingerie to the dirty dishes  
Broken promises and wishes  
Everyday is something different  
Ain't no telling who you kissing  
I've given all I got  
What do I have to show for it  
Nothing nothing nothing nothing  
I forgive you on the spot  
Then I wait for you to change but  
Nothing nothing nothing nothing

[Bridge]

[Chorus]

[Verse 3:]

Thought that we could make it through the storm  
The storm  
But now I see that I was so so so wrong  
Boy I would have never though  
That we just wouldn't work  
Boy it hurts  
Oh baby  
That we just keep going round in circles

[Bridge]

[Outro:]

I really really  
I really  
Really  
I really really  
We go  
We go

We go  
I can't even  
Sometimes I'm feeling empty  
Oh babe  
So dizzy  
Oh  
I...
