Matthew West

Take a look at the mountain
Stretching a mile high
Take a look at the ocean
Far as your eye can see
And think of Me
Take a look at the desert
Do you feel like a grain of sand?
I am with you wherever
Where you go is where I am
And I'm always thinking of you
Take a look around you
I'm spelling it out one by one
I love you more than the sun
And the stars that I taught how to shine
You are mine and you shine for Me too
I love you yesterday and today
And tomorrow I'll say it again and again
I love you more
Just a face in the city
Just a tear on a crowded street
But you are one in a million
And you belong to Me
And I want you to know
That I'm not letting go
Even when you come undone
I love you more than the sun
And the stars that I taught how to shine
You are mine and you shine for Me too
I love you yesterday and today
And tomorrow I'll say it again and again
I love you more, I love you more
You shine for Me
You shine for Me
You shine on, you shine on
You shine for Me
I love you more than the sun
And the stars that I taught how to shine
You are mine and you shine for Me too
I love you, yesterday and today
And tomorrow I'll say it again and again
I love you more than the sun
And the stars that I taught how to shine
You are mine and you shine for Me too
I love you, yesterday and today
Through the joy and the pain
I'll say it again and again
I love you more, I love you more
And I see you and I made you
And I love you more than you can imagine

More than you can fathom
I love you more than the sun
And you shine for Me
