

Just One Smile

Blood, Sweat & Tears

Can I cry a little bit?
There's nobody to notice it
Can I cry if I want to?
No one cares Why can't I pretend
That you love me again?
All I had has been taken from me
Now I'm cryin' and tears don't become me Just one smile, pain's forgiven
Just one kiss, girl
Now the hurt's all gone
Just one smile to make my
Make my little life worth living
A little dream to build my world upon How I wish, I could say
All the things that I've got to say
How I wish you
Could see what's here in my heart I don't ask for much, a look, a smile, a touch
Try to forget, well the Lord knows I'm tryin'
But it's so hard to forget girl
When your whole world is dyin' Yeah, just one smile, pain's forgiven
Just one kiss, girl
Now the hurt's all gone
Just one smile to make my
Make my little life worth livin'
A little dream to build my world upon Try to forget
Well, the Lord knows I'm tryin'
But it's so hard to forget girl
When your whole world is dyin' Yeah, just one smile, pain's forgiven
Just one kiss, girl
Now the hurt's all gone
Just one smile to make my
Make my little life worth livin'
A little dream to build my world upon
