

# Gone 'til November (pop Version)

## Wyclef Jean

I dedicate this record the carnival to all you brothers takin' long trips  
Down south, Virginia, Baltimore all round the world  
And your girl gets this message that you ain't comin' back  
She sittin' back in her room, da lights is off  
She's cryin', and then my voice comes in pow

And in the middle of the night and this is what I tell her for youEvery time I make a run, girl you turn around  
and cry

I ask myself why, oh why?

See you must understand I can't work a 9 to 5

So I'll be gone till NovemberSaid I'll be gone till November, I'll be gone till November

You tell my girl I'll be gone till November, I'll be gone till November

I'll be gone 'til November, you tell my girl yo I'll be gone till NovemberJanuary, February, March, April, May  
I see you cryin' but girl I can't stay

I'll be gone till November, I'll be gone till November

And give a kiss to my mothWhen I come back there be no time to clock

I'll have enough money to buy out the glocks

Tell my brotha go to school in September

So he won't mess up in summer school in da summerTell my cousin Jerry wear his condom

If you don't wear condom you see a red line

Oh, you sucka M.C's you got no flow

I heard ya style you S O, S OEvery time I make a run, girl you turn around and cry

I ask myself why, oh why?

See you must understand I can't work a 9 to 5

So I'll be gone till NovemberSaid I'll be gone till November I'll be gone till November

You tell my girl I'll be gone till November, I'll be gone till November

I'll be gone 'til November, you tell my girl yo I'll be gone till NovemberJanuary, February, March, April, May

I see you cryin' but girl I can't stay

I'll be gone till November, I'll be gone till November

And give a kiss to my mothI had to flick nothin' and turn it in to somethin'

Hip-Hop turns to the future of rock when I smash a pumpkin

Commit treason now I have a reason

To hunt you down it's only right its rappers season, yeah youWith the loud voice posin' like your top choice

I make a hertz out of ya rolls Royce

Besides I got my girl to remember and I committed that

I'll be back in NovemberEvery time I make a run, girl you turn around and cry

I ask myself why, oh why?

See you must understand I can't work a 9 to 5

So I'll be gone till NovemberSaid I'll be gone till November I'll be gone till November

You tell my girl I'll be gone till November, I'll be gone till November

I'll be gone 'til November, you tell my girl yo I'll be gone till NovemberJanuary, February, March, April, May

I see you cryin' but girl I can't stay

I'll be gone till November, I'll be gone till November

And give a kiss to my motha

I know the hustles hard, but we gotta enterprise, the carnival
