

Epic'entre (vs Assemblage 23 - Dissapointed Mix)

VNV Nation

I asked myself was I content
With the world that I once cherished?
Did it bring me to this darkened place
To contemplate my perfect future? I will not stand nor utter words
Against this tide of hate
Losing sight of what and who I was again I'm so sorry if these seething words I say
Impress on you that I've become
Anathema of my soul I can say that you're losing me
I always tried to keep myself tied to this world
But I know where this is leading
Please, no tears, no sympathy I can say that you're losing me
But I must be that which I am
Though I know where this could take me
No tears, no sympathy Gracefully, respectfully
Facing conflict deep inside myself
But here confined
Losing control of what I could not change Gracefully, respectfully I ask you
Please don't worry, not for me
Don't turn your back
Don't turn away I can say that you're losing me
I always tried to keep myself tied to this world
But I know where this is leading
Please, no tears, no sympathy I can say that you're losing me
But I must be that which I am
Though I know where this could take me
No tears, no sympathy No tears for me, no sympathy
No tears for me, no sympathy Gracefully, respectfully I ask you
Please don't worry, not for me
Don't turn your back
Don't turn away I can say that you're losing me
I always tried to keep myself tied to this world
But I know where this is leading
Please, no tears, no sympathy I can say that you're losing me
But I must be that which I am
Though I know where this could take me
No tears, no sympathy No tears for me, no sympathy
No tears for me, no sympathy I can say that you're losing me
I always tried to keep myself tied to this world
But I know where this is leading

Please, no tears, no sympathyI can say that you're losing me
But I must be that which I am
Though I know where this could take me
No tears, no sympathy
