Rock Me Baby

Steve Miller Band

I want you to rock me, baby, rock me all night long
I want you to rock me, baby, rock me all night long
I want you to rock me, baby like my back ain't got no boneI want you to love me, baby, love your baby slow
I want you to love me, baby, love your baby slow
I want you to love me, woman till I know I don't want no moreKeep on rocking me, baby, keep on rocking me, baby
Oh, keep on rocking me, baby, keep on rocking me, girl
Won't you rock me baby like my back ain't got no boneBaby, baby, when you see me coming, run and get your rocking chair
When you see me coming, baby, run and get your rocking chair
You know, I ain't no stranger, girl you know I used to live right hereOh, I see the sun going down and the moon begin to rise
I see the sun going down and the moon begin to rise
I want you to love me till you make me satisfiedKeep on rocking me, baby, keep on rocking me, baby
Oh, keep on rocking me, baby, keep on rocking me, girl
Won't you rock me baby like my back ain't got no boneOh, baby, rock me baby
Oh, baby, keep on rocking me, girl
Won't you rock me baby like my back ain't got no bone
