Start Today (Instrumental)

Gorilla Biscuits

Yesterday you were on my back just to get my time
I guess it's not as precious as it seems
Because I found the time for hangin out
And talkin on the phone
What should I expect, now that my time is free
And you're nowhere to be foundNext time I'll try, for the first time in my life
It won't pass me by
Procrastinate it can wait, I put it off
Let's start todayMy room's a mess and I can't get dressed
I gotta be out by eight o'clock
Deep inside I know the answer
Well, there's no time like the present
And I'd like to hang out but who doesn't
I've made enough mistakes for this lifetime
Now I'm here to make amendsNext time I'll try, for the first time in my life
It won't pass me by
Procrastinate it can wait, I put it off
Start, stop
