Please Don't Worry

The Reivers

If somebody tells you, Look out boy
That stuff you're doin' is way too strong
Pay them no mind, just give 'em time
Keep your head, you can't do no wrongPlease don't worry 'bout no jury
There's so many of us anywayIf somebody tries to bust you
'Cause you had their daughter late last night
Don't get me wrong, but, you must be strong
And you just can't get uptightPlease don't worry 'bout no jury
There's so many of us anywayIf somebody says you look funny
'Cause the way you dress, to them, ain't right
Say, "Hey, can't you see, you look funny to me?
But, I'm just tryin' to be polite"Please don't worry 'bout no jury
There's so many of us anywayPlease don't worry 'bout no jury
There's so many of us anywayPlease don't worry 'bout no jury
There's so many of us anyway
