

Gotta Be More

Marc Broussard

Yeah, yeah, yeah, oh, oh, oh
Cast my eyes towards the sky
Looking down on day
So far all I've seen are clouds
But I'm not gonna let them get me down
No way, No how
Not ever, Not now There's got to be more here than what I see
There's got to be more here than what I see Walkin' down the road again
One step at a time
So far all I've seen are stop signs
But I'm not gonna let them get me this time
My, my, keep flyin' high There's got to be more here than what I see
There's got to be more here than what I see Are those the clouds of my mind that hide the stars?
Will I ever find the road that leads me home again?
Does it seem so far, from looking way to hard?
Now I know my heart is where my searchin all begins Ooo, oooo, na na How low is where I stand, lookin' for the
man in charge
How low is where I stand, looking for the man in charge
How he knows where I search but you know I didn't have to look that far I believe there's more here to see
I believe there's more here to see 'Cause the dirt has been wiped away from my eyes
And I know what I'm supposed to be There's got to be more, there's got to be more
There's got to be more, there's got to be more
There's got to be more
