Penny

Terry Reid

I often wondered about the past
Wondered if our love was going to last or end
Rumours described in a way to me
Makes it easy to see that they would bend
I wish I could lend one penny to spend on feeling I hide from you
No matter what I did or tried to do
Oh any anytime to you, oh noAnd when I'm looking into your eyes
Am I too blind to see that you can't see me
Woah oh oh, You see me
Ay ay ayNow that you've found out what caused an end
It it foolish but I call you just a friend
Oh but it's in disguise in a way to me
But you make it so easy to see
I could just be the one that you see
I tried to describe the things
I know there's no chance that we might meet againAnd when I'm looking into your eyes
Am I too blind to see that you can't see me
Woah oh you see me, no no no
I can't waste no time, I wish I could lend
One penny to spend on those feelings that I stop
and hide from you, I stop, I'm really gonna let you see
Woah, I ever ever ever ever I knowI feel my health is falling
Feel life is most appalling
Then I find you there but
Woah, helps alright
I said baby I'm alright
I said oh oh I'm alright
I'm alright, I'm alright
I'm all, I'm all, I'm alright
Baby I'm alright if it's alright with youI know there's nothing you can do anymore
Oh, oh, oh
