It Wonâ€™t Stop

Sevyn Streeter

I love when you pulling up in your jeep
Bumpin' all your beats
J's on, with your shades on
Just to bring me something to eat
You the man up in these streets
But when it comes to my heartThat don't mean a thing no
So I hop up in your ride
Ooh its hot as hell outside
Got the top down
With the doors closed
With your hand on my thigh
Drive slow
Take your timeEvery little thing you do got me feeling some type of way (way)
When you gimme that thunder you make my summer rain
(Oh oh oh oh oh oh oh)
(Oh oh oh oh oh oh oh) Everyday everydayAnd it wont stop, oh oh ooh
And it wont stop, oh oh ooh yeahWith every single part of me
My love for you is constantly
Forever and ever on repeat
On repeat
And it wont stop, oh oh oohI love when we pulling up to the beach
Sand all in my feet
Sun down, with nobody around
That's one hell of a scene
You rockin' my body
Rock rock the boat, Aaliy-ah
Don't it sound familiar'Cause it feel like, ah ah aye aye
Lookin' up in spa-ace
Juts me and my ba-ae
And it feels so ama-azing, oh all night whoaEvery little thing you do got me feeling some type of way (way)
When you gimme that thunder you make my summer rain
(Oh oh oh oh oh oh oh)
(Oh oh oh oh oh oh oh) Everyday everydayAnd it wont stop, oh oh ooh
And it wont stop, oh oh ooh yeahWith every single part of me
My love for you is constantly
Forever and ever on repeat
On repeat
And it wont stop, oh oh oohEveryday, everyday
I cant breathe

You take my breath, away from me
Here's my heart, you got the key
Put that on eternity
I love you til infinity
Infinity, infinity, infinity, infinityMy everything
My everything
And when I think about it
Don't be making me wait babyWont ever stop
My heart wont skip a beat baby
And it'll keep goin' on, goin' on, goin' on (Goin' on)And it wont stop, oh oh ooh
And it wont stop, oh oh ooh yeahWith every single part of me
My love for you is constantly
Forever and ever on repeat
On repeat
And it wont stop, oh oh ooh
