

Hour of Need

Yes

In the dark while the obvious isn't clear
Can't believe just what can interfere Remember what has been achieved
Keep tryin' it's the hour of need What's the cost?
Can the end justify the means?
There's a need so many mouths to feed Remember what has been achieved
Keep tryin' it's the hour of need
Still hoping we can succeed
In this hour of need Words unwritten
Mistrust suspicion
Stuck in this wilderness For everyone water to drink
Either we sink or swim
