

Color You (feat. Iris Temple)

Chai

ì•î~î • (Chai) - Color You (Feat. Sam Kim) Lyrics I filled in your lines of questions

Even showed you my flaws
I'll be the light you lost
Colored you with all my thoughts
And I made this world for you
When our love was like the
love was like the
love was like the dawn
I beg your pardon
How could you let this fall apart
And I saw your colors fade
Washed away
Masquerade
Till the day
Till the day I hear you say
You'll face the pain
You'll face the pain
Of losing my heart
My heart
My heart my heart my heart
Oo yeah oo yeah Color color color color you
Can I Color color Color color you
No no no no no
Color color Color color you
Oo oo
Color color Color color you
It's only like yesterday
We were together and
Lately it's hard to just sit down
and think on my own about
all of the things that
we could've been
Get it together If I'd let it all go would you
have maybe stayed
Color me a color
of a different shade
Green with envy
Red with anger
Blue I'm sad

Yuh Replace the red with love maybe
Climb the fence to green grass
Clearer skies of tri tones
Let you color me bad
blue faces Hm never gave you
no never gave us
something new to paint
and start over
now I'm left here wondering
if it is way
too late to hear you say I'll Color color color color you
Can I Color color Color color you
No no no no no
Color color Color color you
Oo oo
Color color Color color you Color color color color you
Can I Color color Color color you
No no no no no
Color color Color color you
Oo oo
Color color Color color you Color color color color you
Can I Color color Color color you
No no no no no
Color color Color color you
Oo oo
Color color Color color you Color color color color you
Can I Color color Color color you
No no no no no
Color color Color color you
Oo oo
Color color Color color you
