Hollywood Undead

Advisory - the following lyrics contain explicit language:

Hollywood, we never going down
Hollywood, we never going down
Hollywood, we never going downAnd all the kids in the hood come on wave and shake your hands
Hollywood, we never going down
And when you're drunk shake that ass like you know how to dance
Hollywood, we never going downStart getting loud, I wanna party now
If you hate on Undead that's a party foul
I only drink Mickey's, I can't afford the cans
I drink so much they call me Charlie 40 HandsIf the keg is tapped, then you're getting capped
Take your girl to the sack and we'll take a nap
Ladies drink them fast so I can have a blast
You got your beer gog's on and I'm getting assLike, oh my God, is that Charlie Scene?
Ladies show me your treats like it's Halloween
You got fake I.D. and you're 17
I'm a complete catastrophe buzzing around you like a bumblebeeSo let's take some shots
Do a beer run and flip off a cop
Girls give me props and they're on my jock
Paris Hilton said that's hot, when she saw my cock, that's hotAnd all the kids in the hood come on wave and
shake your hands
Hollywood, we never going down
And when you're drunk shake that ass like you know how to dance
Hollywood, we never going downI'm about to serve it up for all you party goers
Scene kids, Meat Heads, Alchi's, Stoners
Dancing around like a bunch of faggots
Funnier than fuck, you can ask Bob SaggotI never claimed that I knew how to dance
But I'll get drunk, get high and pull down my pants
So fuck five bucks, just fill up my cup
Don't kiss me bitch, you just threw upNow I'm drunk as fuck about to pass out
Destination your mother's couch
Dude, is it really true you screwed my mom?
Fuck yeah bro, that pussy was bombSo I'm hopping, jumping, sipping, and skipping
It's nights like these that we all love living

So take out your hands and throw the H.U. up

Now wave it around like you don't give a fuck, check pleaseAnd all the kids in the hood come on wave and
shake your hands

Hollywood we never going down

And when you're drunk shake that ass like you know how to dance

Hollywood we never going downCan't stop, won't stop, Charlie make the booty drop

Can't stop, won't stop, Johnny make the booty drop

Can't stop, won't stop, J make the booty drop

Can't stop, won't stop, Peters make the booty dropCan't stop, won't stop, Kurlzz make the booty drop

Can't stop, won't stop, Funny make the booty drop

Can't stop, won't stop, let me see the panties drop

Producers on the dance floor, let me see your booty popGrab your drink, get on the floor

Grab your drink and get on the floor

Let's dance in the hood, shake that ass HollywoodAnd all the kids in the hood come on wave and shake your
hands

Hollywood, we never going down

And when you're drunk shake that ass like you know how to dance

Hollywood, we never going downLet's dance in the hood, shake that ass Hollywood

Hollywood, we never going down

Let's dance in the hood, shake that ass Hollywood

Hollywood, we never going down
