Over & Over

Smallpools

'Cause its all in my head
I think about it over and over again
And I can't keep picturing you with him
And it hurts so bad, yeah
'Cause it's all in my head
I think about it over and over again
I replay it over and over again
And I can't take it yeah I can't shake it
NoI can't wait to see you
Want to see if you still got that look in your eyes
That one you had for me before we said our goodbyes
And it's a shame that we got to spend our time
Being mad about the same things
Over and over again
About the same things
Over and over again
Oh
But I think she's leaving
Oh man she's leaving
I don't know what else to do
(I Can't go on not loving you)'Cause its all in my head
I think about it over and over again
And I can't keep picturing you with him
And it hurts so bad, yeah
'Cause its all in my head
I think about it over and over again
I replay it over and over again yeah
And I can't take it yeah I can't shake it
NoI remember the day you left
I remember the last breath you took right in front of me
When you said that u would leave
I was too damn stubborn to try to stop you or say anything
But I see clearly now
And this choice I made keeps playing in my head
Over and over again
Playing my head
Over and over again
Oh
I think she's leaving

Ooh man she's leaving
I don't know what else to do
(I Can't go on not loving you)'Cause its all in my head
I think about it over and over again
And I can't keep picturing you with him
And it hurts so bad, yeah
'Cause its all in my head
I think about it over and over again
I replay it over and over again
And I can't take it I can't shake it
No(Now that I've realized that I'm going down
From all this pain you've put me through
Every time I close my eyes I lock it down oh
I can't go on not loving you)'Cause its all in my head
I think about it over and over again
And I can't keep picturing you with him
And it hurts so bad, yeah
'Cause its all in my head
I think about it over and over again
I replay it over and over again
And I can't take it I can't shake it
No'Cause its all in my head
I think about it over and over again
And I can't keep picturing you with him
And it hurts so bad, yeah
'Cause its all in my head
I think about it over and over again
I replay it over and over again
And I can't take it I can't shake it
NoooOver and Over again
Over and Over again
'Cause it's all in my head
