Million Bucks

Cimorelli

I don't need a thousand people screaming my name
I don't need overnight Hollywood fame
I don't need platinum records up on the wall
I don't need a Lamborghini in the garage

Oh whoa whoaa
Those things won't last forever
Oh whoa whoaa
What I got is so much better!

You and me on a summer night
Park that car dancing in the headlights
You and I late night drives
Your hand in mine
And all your time
I don't need money in my pocket
Diamonds on my neck
The time I spend with you I know I'll never forget
You and me is more that enough
Cause you make me feel like a MILLION BUCKS!

I don't need a jet setter up in the sky
I don't need a na-na-name dropping guy
I don't need a chauffeur waitin' on me
I don't need more than a T-shirt and Jeans

Oh whoa whoaa
Those things won't last forever
Oh whoa whoaa
What I got is so much better!

You and me on a summer night
Park that car dancing in the headlights
You and I late night drives
Your hand in mine
And all your time
I don't need money in my pocket
Diamonds on my neck
The time I spend with you I know I'll never forget
You and me is more that enough

Cause you make me feel like a MILLION BUCKS!

You make me feel (you make me feel)
You make me feel like Million Bucks, like a Million Bucks, YEAH!

You and me on a summer night
Park that car dancing in the headlights
You and I late night drives
Your hand in mine
And all your time
I don't need money in my pocket
Diamonds on my neck
The time I spend with you I know I'll never forget
You and me is more that enough
Cause you make me feel like a MILLION BUCKS!

You make me feel (you make me feel)
You make me feel... Cause you make me feel like a MILLION BUCKS!
