

Record Collector

The Planet Smashers

I've got my walking shoes on
I'm off to the record shop
Going downtown
Want to see what can be found
I'm downtown at the record shop
Quite a scene at the record shop
I've come to find some old Chris Spedding
Maybe Rico or Otis Redding
Record Collector
Spending my money
Cause it's all mine
Making my rounds
Shopping downtown
I got my hit detector
I'm a record collector
See that girl with the Pearl Jam sweater
Makes me wish I liked Eddie Vetter
I'm a record collector
Spending my money
Cause it's all mine
