All About Us (feat. Aaron Gillespie)

He Is We

Take my hand, I'll teach you to dance
I'll spin you around, won't let you fall down
Would you let me lead, you can step on my feet
Give it a try, it will be alright. The room's hush, hush

And now's our moment

Take it in, feel it all and hold it

Eyes on you, eyes on me

We're doing this right. Cause lovers dance, when they're feeling in love

Spotlight shining, its all about us

It's oh, oh, all... about uh, uh, uh, us.

And every heart in the room will melt,

This is a feeling I've never felt but,

It's all... about usSuddenly... I'm feeling brave

I don't know what's got into me

Why I feel this way

Can we dance, real slow?

Can I hold you, can I hold you close? The room's hush, hush

And now's our moment

Take it in, feel it all and hold it

Eyes on you, eyes on me

We're doing this right. Cause lovers dance, when they're feeling in love

Spotlight shining, its all about us

It's oh, oh, all... about uh, uh, uh, us.

And every heart in the room will melt,

This is the feeling I've never felt but,

It's all... about usDo you hear that love?

They're playing our song

Do you think we're ready?

Oh, I'm really feeling it.

Do you hear that love?

Do you hear that love? Do you hear that love?

They're playing our song

Do you think we're ready?

Oh, I'm really feeling it.

Do you hear that love?

Do you hear that love? Do you hear that love?

They're playing our song

Do you think we're ready?

Oh, I'm really feeling it.

Do you hear that love?

Do you hear that love?Lovers dance when they're feeling in love Spotlight shining, its all about us... all about us,

It's oh, oh, all...

and every heart in the room will melt,
this is a feeling I've never felt but,
it's all about usCause lovers dance, when they're feeling in love
Spotlight shining, its all about us
It's oh, oh, all...about eh eh eh yeah.
And every heart in the room will melt,
This is a feeling I've never felt but,
It's all...

It's all about us...
