Children Surrender

Black Veil Brides

We're born into the night like children of the damned
Our pain will shine a light to those who understand
BORN INTO THE NIGHT!
PAIN WILL SHINE OUR LIGHT!
Whoa whoa sink your teeth into forever
Whoa whoa sunlight burns Children Surrender
An exorcise of life to cut beneath our hands
Like souls who missed their plight, we'll bleed along the sand

BORN INTO THE NIGHT!
PAIN WILL SHINE OUR LIGHT!
Whoa whoa sink your teeth into forever
Whoa whoa sunlight burns Children Surrender
YEAH!
Sink your teeth into forever
Whoa whoa sink your teeth into forever
Whoa whoa sunlight burns Children Surrender
