

# Children Surrender

## Black Veil Brides

We're born into the night like children of the damned

Our pain will shine a light to those who understand

**BORN INTO THE NIGHT!**

**PAIN WILL SHINE OUR LIGHT!**

Whoa whoa sink your teeth into forever

Whoa whoa sunlight burns Children Surrender

An exercise of life to cut beneath our hands

Like souls who missed their plight, we'll bleed along the sand

**BORN INTO THE NIGHT!**

**PAIN WILL SHINE OUR LIGHT!**

Whoa whoa sink your teeth into forever

Whoa whoa sunlight burns Children Surrender

**YEAH!**

Sink your teeth into forever

Whoa whoa sink your teeth into forever

Whoa whoa sunlight burns Children Surrender
