Young Love

Air Supply

Lately all my thoughts have gone to you, you know that's true
Sometimes I feel just a word away
You'll say, "Oh how I miss you too, I do"Time is tight I'm lost for words that's not like me
Only your eyes could know the way that I feel
And how much I need you now with meYoung love, so strong
Has never been a part of me
Young love, hold on, we're feeling it now
Is this the way it's meant to be?I know I'll be the one to lose if I'm so wrong
Don't be afraid to put your heart on the line
I'll take you where I know you belongTake my thoughts away beyond the things we see
Sometimes it seems just a word away
You'll say, "Oh how I really feel it should be"Young love, so strong
Has never been a part of me
Young love, hold on, we're feeling it now
Is this the way it's meant to be?Young love, so strong
Has never been a part of me
Young love, hold on, we're feeling it now
Is this the way it's meant to be?Young love, so strong
Has never been a part of me
Young love, hold on, we're feeling it now
Is this the way it's meant to be?Young love, so strong
Young love, hold on
