

# I'm Gone

**Jordan Pruitt**

I don't believe in us anymore, oh  
Don't know why I even tried for so long  
I'm goneSit back, got a story now  
About a guy that I fell in love with  
Started out so beautiful  
Went down, down hill from thereHe used to care  
Used to take me everywhere  
Used to make me feel loved  
Loved, so lovedI don't believe in us anymore, oh  
Don't know why I even tried for so long  
I'm goneHey girls, just looking out  
You gotta see through the perfect ones that  
Tell you what you wanna hear  
Then do the oppositeIf he don't call when he says he's gonna call  
Then delete his number  
And just forget him  
Just forget himI don't believe in us anymore, oh  
Don't know why I even tried for so long  
I'm gone, I'm goneBeen waiting for the day  
That I don't have to wait  
For a guy that won't be late  
Won't be afraid to give me his heart'Cause I'm not gonna try  
If you're not gonna try  
You can go  
You can leave right nowI don't believe in us anymore, oh  
Don't know why I even tried for so long  
I'm gone, I'm gone
