Without You

Three Days Grace

What if I walk without you
What if I ran without you
What if I stand without you
I could not go onWhat if I live without you
What if I love without you
What if I died without you
I could not go onYou left my side tonight
And I, I just don't feel right
But I, I can't let you out of sight
Without you I'm no one, I'm nothing at allWhat if I lie without you
And what if I rise without you
And what if I dream without you
I could not go on, noYou left my side tonight
And I, I just don't feel right
But I, I can't let you out of sight
Without you I'm no one, I'm nothing at allYou left my side tonight
And I just don't feel right
I can't let you out of sight
Without you I'm no one, I'm nothing at allYou left my side tonight
And I, I just don't feel right
But I, I can't let you out of sight
Without you I'm no one, I'm nothing at all
Nothing at all
