

Let's Go Sexin'

James Intveld

Let's Go Sexin (3x)
You know I love you when you make me feel goodA funny feeling
pounding in my head
My hands are trembeling
My eyes are turning red
I'm a desprate man
With a heavy load
Like a valcano, I'm about to explodeLet's Go Sexin (3x)
You know I love you when you make me feel goodCome on concussion
Liberate my brain
My pulse is rushingThere's lava in my veins
Pumping with passion
Throbbing with desire
A heatseaker missle with a burning tail of fireLet's Go Sexin (3x)
I'll say I love you when it makes you feel goodI'm a wild roman candle
With, baby, loads of fireLet's Go Sexin (3x)
I'll say I love you when it makes you feel good
