

All God's People

Queen

So all you people give freely
Make welcome inside your homes, (ooh) ooh
Thank God you people give freely (yeah)
Don't turn your back on the lesson of the Lord
All prime ministers (yeah) and majesty around the world, yeah
Open your eyes, look, touch and feel
Rule with your heart (rule with your heart)
Live with your conscience (live with your conscience)
Love, love and be free
Love, love and be free
We're all God's people
Gotta face up
Better grow up
Gotta stand tall and be strong
Gotta face up
Better grow up
Gotta face up
Better grow up
Gotta stand tall and be strong
Gotta face up
Better grow up
We're all God's people
Gotta face up
Better grow up
Yeah yeah - yes there was this magic light
I said to myself
I'd better go to bed and have an early night
Then I, then I, then I, then I went into a dream
Rule with your heart and live with your conscience
We're all God's people, yeah, give freely, yeah
Make welcome inside your homes
Let us be thankful, he's so incredible
We're all God's people
We're all God's people
We're all God's people
We're all God's people
We're all God's people
Ah ah ah
Ah ah ah

We're all God's people
We're all God's people
We're all God's people
