

Sukiyaki

A Taste Of Honey

Its all because of you, Im feeling sad and blue
You went away now my life is just a rainy day
I love you so, how much youll never know
Youve gone away and left me lonely Untouchable memories seem to keep haunting me
Of love so true that once turned all my gray skies blue
But youve disappeared, now my eyes are filled with tears
Im wishin you were here with me Soft with love are my thoughts of you
Now that youre gone I dont know what to do If only you were here, youd wash away my tears
The sun would shine and once again youd be mine, all mine
But in reality you and I will never be
Cause you took your love away from me, hooh If only you were here, youd wash away my tears
The sun would shine, once again youd be mine, all mine
But in reality you and I will never be
Cause you took your love away from me, hooh, baby
You took your love away from me Sayonara
