## Das Sound Machine

They will not control us  
We will be victorious

Paranoia is in bloom  
The PR transmissions will resume  
They try to push drugs that keep us all dumbed down  
And hope that we will never see the truths around

Come On!

Another promise, another seed  
Another packaged lie to keep us trapped in greed  
And all the green belts wrapped around our minds  
And endless red tape to keep the truth confined

Come On!

They will not force us  
They will stop degrading us  
They will not control us  
We will be victorious

Come On!
