

Love Killer

Cheryl Cole

Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Why do I love you so much
When youre a love killer
Why do I give you my love
When youre a love killer
You gave me butterflies,
And then you shot them down
Straight off the sky
You make my hart tick-off
To kick it on the ground
You dont even try
I got better otions but
All that I want is just
You-hu
Keep doing the things that you do
Got me like drunk
Why do I love you so much
When youre a love killer
Why do I give you my love
When youre a love killer
Baby baby youre like the worst drug
But youre a buzz killer
Youre a love, youre a love killer
Im in love with a love killer
Obliterate my trust
Assassinate my dreams
Youre nothing but cold
But baby I just know,
That no one in the world
Could love you if I dont
I got better otions but
All that I want is just
You-hu
Keep doing the things that you do
Got me like uh
Why do I love you so much
When youre a love killer
Why do I give you my love

When youre a love killer
Baby baby youre like the worst drug
But youre a buzz killer
Youre a love, youre a love killer
Im in love with a love killer
La-la-la-la-la love
You want some more?
Im a love killer
La-la-la-la-la love
You want some more?
Im a love killer
Why do I love you so much? Yeah
Why do I love you so much?
Why?
Why do I love you so much
When youre a love killer
Why do I give you my love
When youre a love killer
Baby baby youre like the worst drug
But youre a buzz killer
Youre a love, youre a love killer
Im in love with a love killer
Why do I love you so much
When youre a love killer
Why do I give you my love
When youre a love killer
Baby baby youre like the worst drug
But youre a buzz killer
Youre a love, youre a love killer
Im in love with a love killer
