

Life Afraid

Set It Off

verse 1I, I'm sick and tired of being sick and tired
And letting all these negative thoughts collide
Why betray my mind when I know the control is mine
Got no time to sit on the sidelines and watch them play
The people around the world
The people around the world
Gotta strike like lightning and shine like we're not afraid
The people around the worldchorusSay, I'm alive
I'm breathing today
I'm alive
Just dying to make a good vibe
I'm still in the game
And I won't live my life afraid
(I won't live my life afraid)No, nobody can relieve me of my ghosts
But I refuse to let em define my soul
Though, they come and go
I'm the one with the guts to stay
Got no time to sit on the sidelines
And watch them play
The people around the world
The people around the world
Gotta strike like lightning
And shine through the pouring rain
The people around the worldchorusSay, I'm alive
I'm breathing today
I'm alive
Just dying to make a good vibe
I'm still in the game
And I won't live my life afraid
I won't live my life afraidbridgeHey!
Hey! Ho
Hey!
Hey! Ho
Sing it Back
Go!
Fellas!
Ladies!
Go!chorusI'm alive
I'm breathing today

I'm alive
Just dying to make a good vibe
I'm still in the game
And I won't live my life afraid
I won't live my life afraidchorusI'm alive
I'm breathing today
I'm alive
Just dying to make a good vibe
I'm still in the game
And I won't live my life afraidchorusI'm alive
I'm breathing today
I'm alive
Just dying to make a good vibe
I'm still in the game
And I won't live my life afraid
