

Hype-nitis

Canibus

Yo whassup, wassup son?

Yeah yeah yeah, we ready

Whassup, whassup son?

Whassup, what's the deal?

Yeah yeah

Yeah, aight, so so all we gotta do

Is do the shit we've been workin' on word

When we add this new, Canibus nigga, ya know what I'm sayin'?

Niggaz gonna feel that nigga

Oh, that's the old to the new, the old to the new

That's gonna bring us back

So let's, so let's work on this shit

Y'all ready? Two times, from the top

I hold the mic, real tight

And yo grab the mic and make the shit sound tight

Hold the mic, real tight

And yo, grab the mic and make the shit sound tightThe hype-nitis is in your eyes

That look, that smile, in disguiseAiyyo, can you feel it?

I know that everybody's heard of that

But this is the ninety-eight version of that

BizMark, one of the founders of this art

Discovered evidence, of the disease, and documented itNow the name of the virus is called "Hype-nitis"

A terminal condition that effects all biters and liars

Hype-no-holics can't require my respect

'Cause they snakes and I can smell the venom on they breath

Hype-nitisThe hype-nitis is in your eyes

That look, that smile, in disguiseAlright now, I'm about to break the hype-nitis down

It's characterized by a certain type of lifestyle

People that treated you foul just wanna be nice now

Smile and raise they eyebrows when you come aroundI remember when I first started to work

And tried to get this job as a label intern

Them niggaz was, killin' me 'cause wasn't nobody feelin' me

A&R's wouldn't even risk demo-dealin' meThe hype-nitis is in your eyes

That look, that smile, in disguiseAiyyo, I know

Most the niggaz I exchange pounds with or lounge with

Wouldn't be around if my career was spiralin' downward

They'd crowd around me 'til I'm surrounded

Ask me who I'm down with, 'til I replied, "The Navy Seals outfit" They told me my album was coconuts so they rewound it

I knew they was hype-no-holics by how they voices sounded
I pull a silver can out of my trousers
Made a public announcement, about the Hype juice
And then I bounced kidThe hype-nitis is in your eyes
That look, that smile, in disguiseTo me hype-nitis is like the measles, 'cause it's a disease too
Studies show it affects one in every five people
It's so lethal, the cure can't be achieved through
Hypodermic needles or the ingestion of medicine in teaspoonsIf you feel the need to, here's a toll-free number
They'll send you an eight page pamphlet to read through
(800)-7932 , there'll be available hype-no-holics
Standin' by for you to speak toThe hype-nitis is in your eyes
That look, that smile, in disguise
The hype
