

Some Devil (Live From Las Vegas)

Dave Matthews & Tim Reynolds

One last kiss one only
Then I'll let you go
Hard for you I've fallen
But you can't break my fall
I'm broken don't break me
When I hit the ground Some devil some angel
Has got me to the bones
You said always and forever
Now I believe you baby
You said always and forever
Is such a long and lonely time Too drunk and still drinking
It's just the way I feel
It's alright
Is what you told me
Cause what we had was so beautiful
Feel heavy like floating
At the bottom of the sea You said always and forever
Now I believe you baby
You said always and forever
Is such a long and lonely time Some devil is stuck inside of me
Why can't I set it free
I wish, I wish I was dead and you were breathing
Just so that you could know
Some angel is stuck inside of me
But can I set you free? You said always and forever
Now I believe you baby
You said always and forever
Such a long and lonely time Stuck inside of me
