

World In Motion (No Alla Violenza Mix)

New Order

Express yourself
Create the space
You know you can win
Don't give up the chase Beat the man
Take him on
You never give up
It's one on one Express yourself
It's one on one
Express yourself
It's one on one
Express yourself
You can't be wrong
When somethings good
It's never gone [Chorus]
Loves got the world in motion
And I know what we can do
Loves got the world in motion
And I can't believe it's true Now is the time
Let everyone see
You never give up
that's how it should be
Don't get caught
Make your own play
Express yourself
Don't give it away Express yourself
Its one on one
Express yourself
Its one on one
Express yourself
You can't be wrong
When somethings good
Its never wrong [Chorus: x 2] You've got to hold and give
But do it at the right time
You can be slow or fast
But you must get to the line They'll always hit you and hurt you
Defend and attack
There's only one way to beat them
Get round the back Catch me if you can
'Cause I'm the England man

And what you're looking at
Is the master plan We ain't no hooligans
This ain't a football song
Three lions on my chest
I know we can't go wrong We're playing for England {In-ger-land}
We're playing the song
We're singing for England {In-ger-land}
Arrivederci its one one one [Repeat: x 4]
