

# Headlights on Dark Roads

## Snow Patrol

For once I want to be the car crash  
Not always just the traffic jam  
Hit me hard enough to wake me  
And lead me wild to your dark roads  
Headlights, before me  
So beautiful, so clear  
Reach out and take it  
'Cause I'm so tired of all this fear  
My tongue is lost; oh, I can't tell you  
Please just see it in my eyes  
I pull up thorns from our ripped bodies  
And let the blood fall in my mouth  
Headlights, before me  
So beautiful, so clear  
Reach out and take it  
'Cause I'm so tired of all this fear
