

# Don't Fight The Feeling

## DAY26

[Verse 1: Willie]

(Tell me)

How much you've been anticipating?

Now let your body show me how to make good love.

Don't have to say a word.

Girl, you know it's on.

Oh, yeah.

(You already know)

Look at the way you move your hips.

Girl, it tells me so.

Don't even fix your lips just to tell me "no".

How could you say "stop" when your body says "go"?

Oh...[Chorus: Willie - Ad-libs]

Don't tell me. (Tell me)

Just show me. (Aye)

Cause if you say you love me, when you touch me you're body should say so. (Should say so)

Make you scream "oh". (Oh)

Don't ever fight the feeling when you feel it. (So baby)

Don't tell me.

Just show me. (Show me)

Cause if you say you love me, when you touch me you're body should say so. (Your body say so)

Make you scream "oh". (Oh)

Don't ever fight the feeling when you feel it. (Hey)

I already know.[Verse 2: Mike]

How do it makes you feel when I touch you there?

Show me how much you care.

Make it crystal clear.

Cause love is just a word unless you wanna share with me, yeah.

(You already know)

Hey, don't have to spread it all around.

Telling all your friends.

Just let your love come down.

Time and time again.

And again.

And you'll see that you don't have to worry.

I ain't in no hurry, baby.[Chorus: Mike - Ad-libs]

Don't tell me.

Just show me. (Show me)

Cause if you say you love me, when you touch me you're body should say so. (If you say you're with me, say
