

I Need A Holiday

Scouting for Girls

It's a beautiful day, but I'm stuck inside.
Staring at this screen, working 9-5.
How I hate this job, 'cause the days do drag.
They work me like a dog, and the moneys bad.
Cheer up cheer up, don't be blue.
Don't forget it's home time soon.
We'll make it through another working day.
I need a holiday.
I need a holiday with my friends.
I'm working everyday.
I'm working everyday for the weekend.
Looking at my watch, for the millionth time.
The days go slow, and then the evenings fly.
When I'm outta this place, and the days been won.
I'm going out with my friends, I'm hanging out in the sun.
Cheer up cheer up, don't be blue.
Don't forget it's home time soon.
We'll make it through another working day.
I need a holiday.
I need a holiday with my friends.
I'm working everyday.
I'm working everyday for the weekend.
I wish it could be Sunday when I wake up every day.
I wish it could be Sunday when I wake up every day.
I wish it could be Sunday when I wake up every day.
I wish it could be Sunday when I wake up every day.
I wish it could be Sunday when I wake up every day.
I wish it could be Sunday when I wake up every day.
I wish it could be Sunday when I wake up every day.
I wish it could be Sunday when I wake up every day.
But I need you, yeah I need you.
Yeah I need you more than I can say.
Yeah I need you, yeah I need you.
Yeah I need you more than I can say.
More than I can say.
Yeah I need you, I need you, I need you, I need you, I need you, more than a holiday.
Yeah I need you, I need you, I n-n-n-n-need you, I need you more than I can say.
More than I can say
