The Wave

Merv Griffin

Can you jiggle it, come on, wiggle it
Feelin' funky now, gonna show you how
Can you jiggle it, come on, wiggle it
Girl, get in the groove, let your body move
Can you jiggle it, come on, wiggle it
Feelin' funky now, gonna show you how
Can you jiggle it, come on, wiggle it
Girl, get in the groove, let your body move
The party's jumpin' and the ladies are all looking fine
I've got some money in my pocket, gonna dance tonight
The game is started up everybody's going wild
Don't try to stop it, just relax, enjoy the ride
Throw your hands up in the air
And wave up from side to side
No matter if you're red, yellow, black or white
Get up and just feel the vibe
Can you jiggle it, come on, wiggle it
(Catch the wave)
Feelin' funky now, gonna show you how
(Ride the wave)
Can you jiggle it, come on, wiggle it
(Do the wave)
Girl, get in the groove, let your body move
(Do the wave)
There ain't no stopping, keep it going, gotta keep the flow
Look around you, feel the motion, let yourself go
The wave is blazing hot, can you feel the heat
Once you start moving, just get up out of your seat
Throw your hands up in the air
And wave up from side to side
No matter if you're red, yellow, black or white
Get up and just feel the vibe
Can you jiggle it, come on, wiggle it
(Catch the wave)
Feelin' funky now, gonna show you how
(Ride the wave)
Can you jiggle it, come on, wiggle it
(Do the wave)
Girl, get in the groove, let your body move

(Do the wave)
Throw your hands up in the air
And wave up from side to side
No matter if you're red, yellow, black or white
Get up and just feel the vibe
Can you jiggle it, come on, wiggle it
(Catch the wave)
Feelin' funky now, gonna show you how
(Ride the wave)
Can you jiggle it, come on, wiggle it
(Do the wave)
Girl, get in the groove, let your body move
(Do the wave)
Can you jiggle it, come on, wiggle it
Feelin' funky now, gonna show you how
Can you jiggle it, come on, wiggle it
Girl, get in the groove, let your body move
(Do the wave)
Do the wave, yeah
Do the wave, yeah
Do the wave, yeah
..
