Hottie

Take 5

Hey ladies
Can you tell me where the hotties at?
Can I hear y'all scream from front to back?
I like to see y'all work it like thatPardon me, girl I'm really shy I hope you understand
Please don't mess me up, or I will try again
I know it might sound crazy as if I'm stalking you
'Cuz I love everything about youYou're a hottie, I'm sorry
I can't help it, but I'm lovin' your body
Can I chill with you, I'll be here for you
Let's go drivin' in my red FerrariYou're all I want, all I dreamed
Please don't hesitate to call me
Pardon me, I'm just askin'
What must I do just to make you my hottie?Pardon me, if I get choked up and can I breathe
Every time you smilin', blinkin' eyes at me
It's your sexy wrist that's got a hold on me
But no, words just cannot explainYou're a hottie, I'm sorry
I can't help it but I'm lovin' your body
Can I chill with you, I'll be here for you
Let's go drivin' in my red FerrariYou're all I want, all I dreamed
Please don't hesitate to call me
Pardon me, I'm just askin'
What must I do, just to make you my hottie?Where's my ladies, my sexy ladies
If you're a hottie then me see you go crazy
Can I call you or will you call me?
'Cuz I'm lookin' for a fly girl that's a hottieWhere's my ladies, my sexy ladies
If you're a hottie then me see you go crazy
Can I call you, or will you call me?
'Cuz I'm lookin' for a fly girl that's a hottieYou're a hottie, I'm sorry
I can't help it but I'm lovin' your body
Can I chill with you, I'll be here for you
Let's go drivin' in my red FerrariYou're all I want, all I dreamed
Please don't hesitate to call me
Pardon me, I'm just askin'
What must I do just to make you my hottie?Let it ride
Let it ride
Let it ride
