

# Somewhere In Between

## Lifehouse

I can't be losing sleep over this, no, I can't  
And now I cannot stop pacing  
Give me a few hours  
I'll have this all sorted out  
If my mind would just stop racing  
'Cause I cannot stand still  
I can't be this unsturdy  
This cannot be happening  
This is over my head  
But underneath my feet  
'Cause by tomorrow morning I'll have this thing beat  
And everything will be back to the way that it was  
I wish that it was just that easy  
'Cause I'm waiting for tonight  
Then waiting for tomorrow  
And I'm somewhere in between  
What is real and just a dream?  
What is real and just a dream?  
  
What is real and just a dream?  
Would you catch me if I fall out of what I fell in?  
Don't be surprised if I collapse  
Down at your feet again  
I don't want to run away from this  
I know that I just don't need this  
'Cause I cannot stand still  
I can't be this unsturdy  
This cannot be happening, yeah  
'Cause I'm waiting for tonight  
Then waiting for tomorrow  
And I'm somewhere in between  
What is real and just a dream?  
What is real and just a dream?  
What is real and just a dream?  
What is real and just a dream?
