

Sweet Sweet

Smashing Pumpkins

Sweet, sweet, sweet, sweet little agony
I don't know just where you've been
But I'll take take take
All that you have for me in sin Where are we going?
And they all want you to change
And they all want you to change And the sad, sad, sad
All the sad faces drown
In this town Where are we going?
And they all want you to change
(Where are we going?)
And they all want you to change
(Where are we going?)
