I Never Believed In Love

Annie Haslam

Tonight when all the world's asleep
I'll bring
A love more tender
Than a robin's wing
Stars running free
Smiling at me
Knowing that up till now
I never believed in loveThe north star knows
You may agree with him
But I was out the day
That love walked in
Most of my days
How I threw them away
Knowing that up till now
I never believed in love
Chorus:When curtains close
The truth turns over
The dreams beyond
I find in more than a song
You came along
And now you've changed my viewSo pure and bright
The raindrop voices ring
To help the moon play
On his golden strings
Lighting the stage
Turning the page
How can it be up till now
I never believed in loveChorus
So as we stand
Beneath the evergreen
The stars are not so silent
As they seem
They sparkle for you
You're gazing at me
Knowing that up till now
I never believed in loveSongs in the air
Everywhere
Telling me up till now
I never believed in love
