# I Am Not a Robot

## Cannabinoid

Youâ€™ve been acting awful tough lately
Smoking a lot of cigarettes lately
But inside youâ€™re just a little baby, oh
Itâ€™s okay to say youâ€™ve got a weak spot
You donâ€™t always have to be on top
Better to be hated than love, love, loved for what youâ€™re not

Youâ€™re vulnerable, youâ€™re vulnerable
You are not a robot
Youâ€™re loveable so loveable
But youâ€™re just troubled
Guess what? Iâ€™m not a robot, a robot
Guess what? Iâ€™m not a robot, a robot

Youâ€™ve been hanging with the unloved kids
Who you never really liked and you never trusted
But you are so magnetic you pick up all the pins
Never committing to anything
You donâ€™t pick up the phone when it ring, ring, rings
Donâ€™t be so pathetic
Just open up and sing

Iâ€™m vulnerable, Iâ€™m vulnerable
I am not a robot
Youâ€™re loveable, so loveable
But youâ€™re just troubled
Guess what? Iâ€™m not a robot, a robot
Guess what? Iâ€™m not a robot, a robot

Can you teach me how to feel, real?
Can you turn my power on?
Well let the drum beat drop
Guess what? I am not a robot
Guess what? I am not a robot

Guess what? Iâ€™m not a robot, a robot
Guess what? Iâ€™m not a robot, a robot
Guess what? Iâ€™m not a robot, a robot
Guess what? Iâ€™m not a robot, a robot
Guess what? Iâ€™m not a robot, a robot
