Walk Out In the Rain (Remastered)

Badfinger

So I just walk out in the rain so that the clouds could hide the pain
And maybe you will never see the 1000 tears you gave to me
And if the rain should go away then in my lonely room I'll stay
So that the world will never know how much it hurts to see you go awaySo I just live a life of hope pretending that I could not care
But if you find you cannot cope just call my name and I'll be there
If I could live my life again I still relive those precious times
Although I know there will be pain it felt so good while you were mineBe mine be mineSo I Just walk out in the rain so that the clouds could hide the pain
And maybe you will never see the 1000 tears you gave to me
And if the rain should go away then in my lonely room I stay
So that the world will never know how much it hurts to see you go
